Meeting Goals

Discussion and motion of the Opioid Epidemic Response Advisory Council position on the Opioid Settlement for the Wednesday November 18, 2021 signers table discussion being held by the Minnesota Attorney General Office.

Meeting Motion

The council members in attendance plus Toni Napier via written vote approved the motion to approve the Opioid Epidemic Response Advisory Council formal recommendation of a 50/50 share of the opioid settlement with the counties and cities. The council understands that the spilt would end up being a 75/25 split with the counties with the current legislative policy.

The meeting was adjourned.
