Amy Peterson (DHS, Director for Moving Home MN Project)

Break

Positive Support Training and Technical Assistance Efforts

Rachel Freeman (ICI Facilitator)

Group Activity

Dani Dunphy (ICI Facilitator)

Group Activity: DHS and Positive Supports

Reflect on the DHS and Positive Supports discussion.

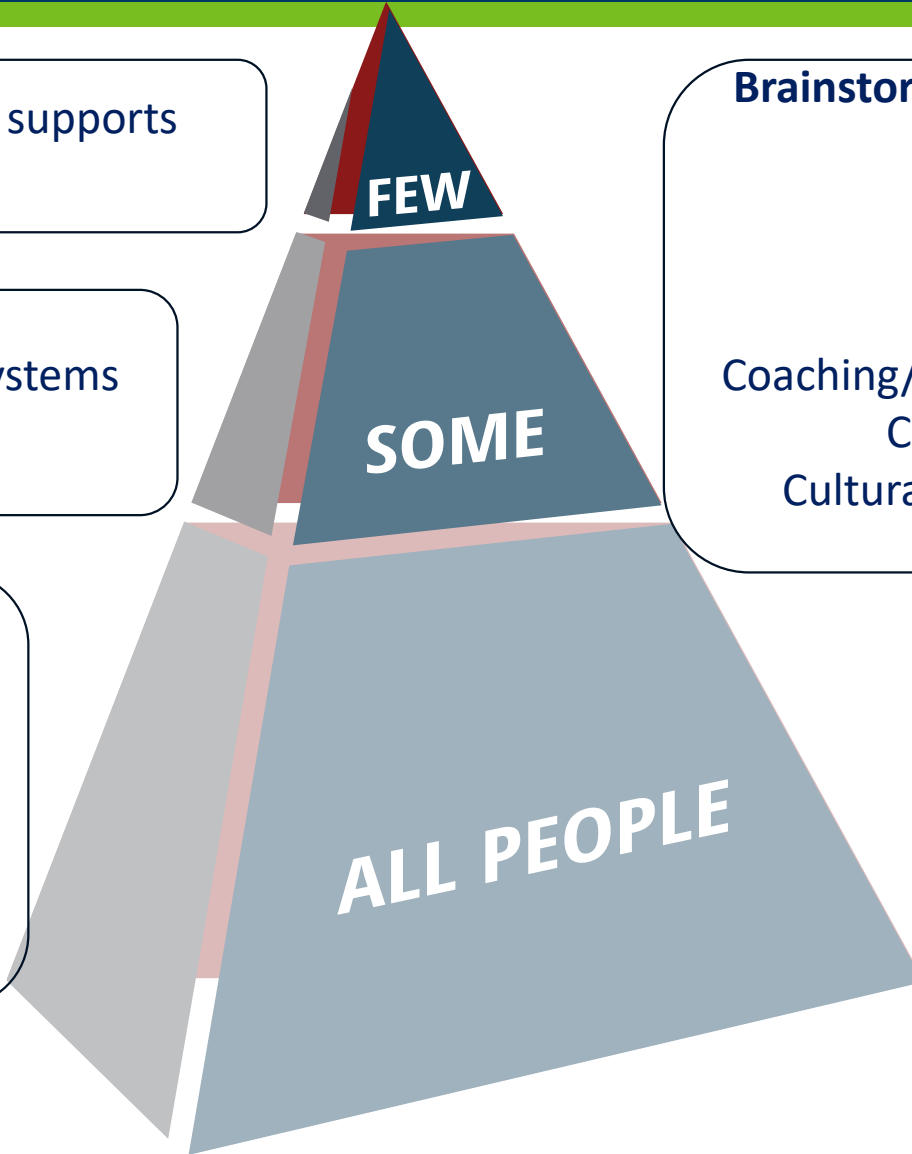

- Strengths
- Needs

Group Activity: Recommendations for All, Some, Few

Intensive, individualized interventions, systems, and supports needed by a few people.

Targeted, efficient, quickly accessible interventions, systems and supports needed by some people.

Universal practices, systems, and supports in place for all people to create and maintain a strong foundation of support, promotion, and prevention. These strategies often help decrease the need for additional levels of support and can help the effectiveness of individual plans.

Brainstorm Ideas Related To:

- Policies
- Services
- Regional Training
- Coaching/Technical Assistance
- Collaboration
- Cultural Responsiveness
- Other...

Examples from the Literature and Other States

Tier 3 (Interventions, Systems and Supports for a Few People)

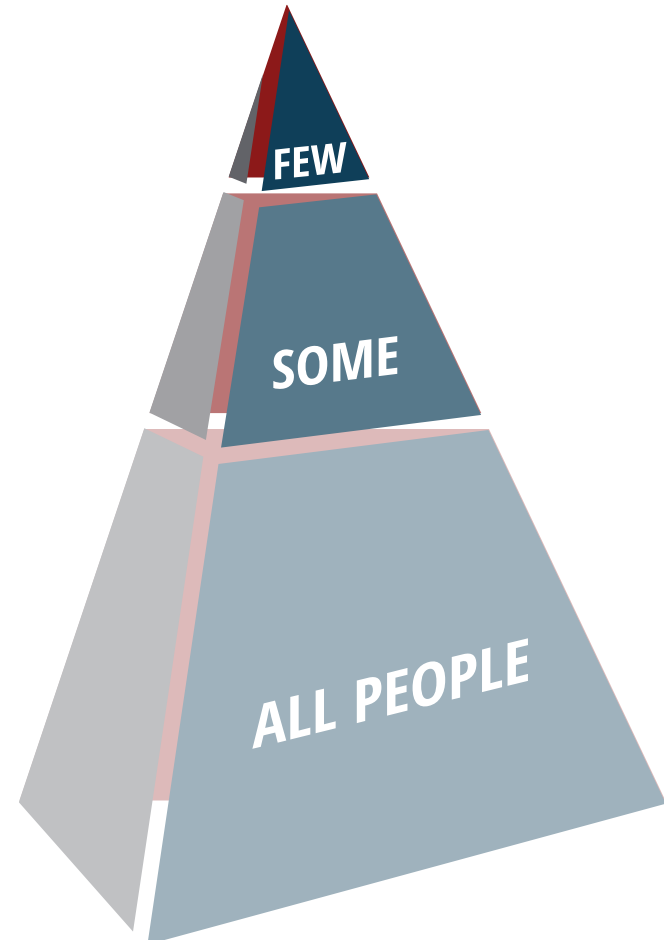

Temporary acute care placements when no other options are available
Coordination of funds and communication across state departments and divisions
Flexible funding for transition planning
Point of contact navigator or facilitator during transition
Funding for individualized planning
Systems for encouraging memoranda of agreement between organizations to improve communication
Ensuring training and clinical support is available prior to transitions
Team-based individualized planning includes one or more positive supports
Evaluation & measurement systems in place for statewide monitoring of acute care transitions

Tier 2 (Interventions, Systems, and Supports Needed for Some People)

Regional teams monitor signs families and communities may need support
Regional referral system for anyone wanting additional support is offered
Access to function-based targeted and group interventions is available
Communication systems across local, regional, and state teams is used for coordination
Evaluation system at regional and state levels for monitoring Tier 2

Tier 1 (Interventions, Systems, and Support for All People)

Incentives for providers accepting people who require more flexible tailor services
Endorsement systems for organizations implementing PBS and/or other positive supports across data systems and practices
Increases in salary for staff directly supporting people who require more flexible and tailored supports
Promotion path for staff providing direct support in organizations
Training and technical assistance systems for ongoing expansion of PBS for families and providers
Evaluation system for monitoring prevention-based efforts

Open Session

Opportunity for Public Comment
