

Worried about changes coming to your Medical Assistance? Get the facts.

On July 4, 2025, President Trump signed the Federal Reconciliation Bill (H.R.1) into law. Next year, the law brings new requirements for Medicaid, a federal health insurance program that is called Medical Assistance in Minnesota.

Nothing has changed yet. The first changes happen fall 2026, and most happen at the beginning of 2027. You do not need to do anything different right now to keep your Medical Assistance.
