Topic: Orientation Day

- Ice breaker
- [Historical Trauma | Community Empowerment Black Men Healing Conference \(brothershealing.com\)](https://brothershealing.com)
- We now have 3 vacancies on panel now, please spread the word, we would like to have more men.
- Domonique: we have had a great Juneteenth coffee in the community, second one tomorrow.
 - Another forum in July with mandated reporter training
 - Meeting with community partners in east and west Africans communities
 - Will be at pride
- We posted supervised visitation RFP is anyone knows of interested agencies.
- The Trusted Messengers program is a unique partnership between Hennepin County and community organizations built on two-way communication, launched in September 2020 as a response to the COVID-19 pandemic to help the county get a sense of community needs, and to give community organizations public health information to share with community. Since then, it has continued to evolve into a countywide program that departments across the county can utilize to share information with community.

Trusted messengers:

- Help with translation in other languages.
 - Create messages that resonates with a wide variety of communities.
 - Help ensure that individuals and families are engaged and have accurate and timely information to prevent the spread of COVID-19
 - Provide additional information and education on improving health care outcomes.
 - Identify immediate needs of community members and assist with obtaining public and private support services.
 - Promote Hennepin County events and campaigns including disease mitigation, public health, census, elections, etc.
-
- RSVP for Collaborative Safety orientation by Friday
 - Participate in both Collaborative Safety orientation sessions on June 27th and July 11th
 - Complete annual retreat survey for expenses
 - Start of orientation at 5:00 pm
