

**Minnesota Fee-for-Service and Managed Care Medicaid
Uniform Preferred Drug List effective: December 1, 2024**

PROVIDER: PLEASE READ

Uniform preferred drug list (PDL) and preferred drug list changes

Managed Care Organizations (MCOs) that offer drug benefits to Minnesota Health Care Programs (MHCP) members must use the Minnesota Department of Human Services' (DHS) Uniform PDL beginning July 1, 2019. The Uniform PDL will ensure a more consistent drug benefit for all members and minimize disruptions if a member's health plan changes. The Uniform PDL was reviewed and recommended by the Drug Formulary Committee and includes many commonly used medications. Members enrolled with an MCO will have access to all of the preferred drugs on the PDL, as well as the other drugs on their plan's List of Covered Drugs (formulary). This change does not apply to members with dual Medicare and Medicaid coverage.

See the Minnesota Uniform Preferred Drug List in the following section.

DHS has created a [Frequently Asked Questions for Providers Regarding the Uniform Preferred Drug List \(PDF\)](#) guide to assist you in understanding your role in helping members remain on a nonpreferred drug or transition to a preferred drug on or after July 1, 2019.

If a member is currently using a nonpreferred drug, you must do one of the following before July 1, 2019:

- Request a one-time continuation of therapy override if the member meets the [Continuation of Therapy Prior Authorization Criteria \(PDF\)](#) for coverage of the nonpreferred drug for 90 days. Make your request to DHS if the member has fee-for-service coverage or to the MCO responsible for the member's coverage.
- Request [Nonpreferred Drug Prior Authorization Criteria \(PDF\)](#) from DHS, if the member has fee-for-service coverage, or to the MCO responsible for the member's coverage. You may request the prior authorization (PA) before July 1, 2019, or during the 90-day continuation of therapy period.

If a member currently has an approved PA for a nonpreferred drug, DHS or the member's MCO will honor the approved PA until the PA expires. After the PA expires, you must request a new PA to continue coverage or transition the member to a preferred drug.

If you have additional questions, please contact:

- MHCP Provider Resource Center (for members in fee-for-service Medicaid) at 800-366-5411 or 651-431-2700
- MCO responsible for the member's coverage (for members in Managed Care Medicaid or MinnesotaCare). See the table below.
